

May 8, 2007

To: Ryan Cannon, Town of Avon
Tom Sturmer, PE, PTOE

I received a letter asking for additional information about our request for the traffic study being conducted in Avon. Our chief concern is the total disregard for the stop signs in our neighborhood. That along with high rate of speed will eventually result in a terrible tragedy. Please understand, I am not talking about a rolling stop, I mean people are not even slowing down to go through the intersection. Of course, people following the speed limit is a problem but that, coupled with the fact our neighborhood is now being used as a go between US 36 and 100 North causes major problems. As it is most anywhere our residents are rarely the problem; it is the people "cutting" through our neighborhood to save time that is the real issue. I hope something can be done to rectify this situation before it is too late. If you have any further questions I can be reached at (317) 840-1221. Thank you for all of you time and effort.

Sincerely,

Matthew W. Hicks
President
Austin Lakes South Homeowners Association
