

To Whom It May Concern:

I am writing on behalf of the Homeowners Association of Austin Lakes South, in Avon. It has been brought to my attention that there is a traffic study of neighborhoods and subdivisions being conducted and we, as an association, feel that there is potentially dangerous traffic problem in our area. Attached are the signatures that were requested to begin the study. If you have any questions, please feel free to contact me at any time. We look forward to hearing the results of the study.

Sincerely,

A handwritten signature in dark ink, appearing to read "Matthew W. Hicks". The signature is written in a cursive style with a long, sweeping underline.
