

March 7, 2007

Ryan Cannon  
Director, Public Works  
6570 East US Highway 36  
Avon, IN 46123

Dear Ryan:

We are the company that manages the Hollow Brook Homeowner Association for the Owners and the Board of Directors.

The Board of Directors of the Hollow Brook Homeowner Association would like the Hollow Brook Community to be considered for the neighborhood safety program that was recently initiated. With the recent connection to the two adjoining neighborhoods, Hollow Brook is experiencing an increase in traffic "cutting" through the neighborhood. Unfortunately, most of the traffic is driving faster than the allowed speed limit.

Please let me know if you require additional information for this request. Thank you in advance for your consideration.

Sincerely,

MONON MANAGEMENT SERVICES, LLC  
MANAGING AGENT FOR HOLLOW BROOK HOMEOWNER ASSOCIATION
